

Springfield School

NEWSLETTER 19 – 7th February 2020

SEN SPECIALIST SCHOOL

Welcome to our nineteenth edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

Pupil Collection / Transport changes

If your child is to be collected from school or is to go home with another person instead of going home on Transport buses, please could we kindly request that you give the Admin Team plenty of notice. This is so that we can pass the message on to class teams as soon as possible to avoid delays at the end of the school day. Thank you.

Sickness and Diarrhoea

This week a letter has gone home to parents regarding a high number of sickness and diarrhoea cases in school. If your child is affected, please keep them off school until they have been symptom free for 48 hours. Thank you for your co-operation.

6PF

In 6PF this week we have been busy going out into the community. On Monday at Tesco we bought ingredients to make cheese muffins. Everyone enjoyed helping to use a grater and other tools to mix the ingredients together.

We tasted some at snack time and they were delicious!

On Tuesday morning we visited Bridgemere Garden Centre to look at the different types of bread and cakes sold there as well as looking at Valentine's Day displays.

This week we celebrated a sixteenth birthday in class for Ellie Hughes with a special cake, card and birthday banners.

Next week we'll be making Valentine's cards and presents, taking part in a Making Sense of Work Creative Arts workshop and looking forward to the half term holiday!

3AO

Students from 3AO have made a link with Apollo Buckingham, who are the new owners of the MMU site. We have been learning about cleaning products and how to use and store them safely. We went over to Booth Hall student accommodation to use our new skills. Upon arrival we were shown to a suite of flats with shared kitchenette and ensuite bathrooms. The students got straight to work cleaning, polishing and hoovering the whole place. Students will visit over the next six weeks as part of our 'Moving On' curriculum, learning skills that we will use throughout our lives as we become more independent.

Safeguarding video

3MW and 3AO have joined forces to record a hit single! During our music sessions, Loraine has chosen these two classes to be the voices behind our new Safeguarding Video and song for Springfield. Safeguarding is such an important aspect of school life and we are celebrating the different ways in which the whole school, staff, students and parents are involved. Watch this space for updates on the filming and the recording progress.

Forest Schools

In Forest School this week we have been shifting woodchip on to our muddy pathway.

This has taught us how to work as a team and consider physical management of garden tools.

A HUGE thank you to Phoenix Tree Care, Crewe for their kind donation of the woodchip!

Whole school Attendance this week – 88.04%
