Friends of Springfield Once you have requested to join you will then be accepted to become a member of the "Friends of Springfield School" Facebook page and you will be able to join in everything that we do. However, in order to buy our goods, particularly the crafts and gifts that our students and staff have made you will have to join the Friends of Springfield School Market Place – Look out for the image below

Once on there you will be able to browse through the vast array of handmade crafts and gifts, not only produced by our Students at Springfield School, but by parents, carers, family and friends as well as contributions from our local community. Simply click on the item you would like to buy and you will be in contact with the seller directly who will guide you through your simple shopping experience. They will be able to explain to you how to pay for your goods and how you will receive them. Obviously, we do have COVID-19 restrictions in place at Springfield School so we do hope that you can work with us and understand that the goods can be sent home with a student or member of staff.

As you are aware, we are unable to hold our Christmas Fayre this year due to the pandemic. We are therefore trying very hard to keep the festivities alive here at Springfield School and we do ask for your full support. The classes create some amazing creations at this time of the year and all funds generated go directly to each individual class fund. This is used thought out the year to fund extra treats and activities for the students. Please remember we have had a lot of extra expense since March 2020 due to the pandemic, for example PPE etc, together with missing out on many opportunities to fundraise. We thank you in advance for all your support and generosity.
