1st December 2023

Dear Parents and Carers,

We have finally reached that exciting time of year! Our Christmas preparations are well underway at Springfield, we do appreciate this can be a difficult time of year for some of our young people. Our aim is to keep structure and routine within the timetable where it is needed so the children enjoy the run up to the festivities.

We have shared the Christmas programme with you below and we are looking forward to seeing lots of you at the Christmas Fayre. The classes and Friends of Springfield have put together some amazing stalls and the most magnificent of raffles so we know you won't be disappointed!

Please also make sure you take a look at the Springfield Christmas Tree which is outside on the grass at the front of school. Every single pupil has designed their own decoration and added it to the tree - it looks absolutely amazing.

Have a lovely weekend,

Lisa and Kim

Swimming

Please remember to send in your child's swimming kit each week, this will be returned for laundering at once used.

We are unable to guarantee your child will be able to swim if they do not have their own kit in school. Although we have some spare kit in school, this has recently been in heavy demand and therefore will not always be available.

Building Works Update

Since our last update, the MC team has completed the steel frame, ready for the block and beam flooring system to be put in place. This weekend, we'll be on site to lift the hollow rib planks and staircases into the new building, which will require a very large crane!

Over the next few weeks, we'll be installing the steel framework for the walls, which should take us up to the Christmas break.
