

# Super Safeguarding Newsletter

January 2019

## Safer Internet Day 2019:

Safer Internet Day 2019 will be celebrated on **Tuesday 5th February 2019**. The theme this year is: **Together for a Better Internet**.

What can you do to encourage your school to get involved with Safer Internet Day?

Some ideas that you could use are as follows:

- Ask your headteacher to put the Safer Internet day banner on the school website
- Ask school to follow Safer Internet day on Twitter - [@UK SIC](#)
- Encourage your teachers to use the Education Packs which can be found on :-  
<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2019/education-packs>
- Send a message out to your parents about the Parents and Carers resources. You could set the parents this task as their homework! These resources can be found on the following link:-

<https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2019/education-packs/education-pack-parents-and-carers>

- If you have E-Safety Officers at school perhaps they could do an assembly to all year groups to raise awareness of Safer Internet Day.

Whatever you do please let us know so that we can feature you in future editions of the Super Safeguarding newsletter.

### Safeguarding Awards

On 15th November the first ever Local Safeguarding Children's Board "Safeguarding and Dignity Awards" were held in Congleton Town Hall. The awards celebrate good practice in supporting and protecting children and adults from abuse, harm or exploitation.

Sandbach School received an award for their contribution to the Bullying prevention Conference which was held in July 2018. Congratulations to them for winning the award.

### White Ribbon Day 2018

White Ribbon Day aims to raise awareness of domestic violence. Cheshire East held an event which included stories from survivors of Domestic Abuse and their experiences in the workplace. It was really inspiring.

During the event students from The Oaks Academy performed a brilliant drama piece on everyday sexism.

Last year they worked with the National Theatre where a play was written for them based around attitudes towards gender, online safety, relationship abuse and more! They performed this at the Lowry.

They hope to extend the learning from this project to other schools so watch this space, we may be calling on you to be involved!!!!

### Safer parking initiative at Wistaston Church Lane Academy

Wistaston Church Lane Academy invited the Cheshire East Parking Enforcement team to deliver a safer parking initiative. They worked with Cheshire Fire and Rescue and the police, highlighting the 'do's and don'ts' of parking safely and legally around the school. Parents and children were involved. Children were taught about the basics of parking signs and restrictions in and around the area to keep pedestrians safe.

There was great engagement and interest from the school children and parents on the day, and it was another fantastic opportunity to raise awareness of road safety in the borough.

### Can you review some resources for us?

CEOP have developed some resources for children aged 5-7 year old, to help them stay safe online. There are cartoons, songs, and activities. There is also a teachers pack to give your teachers ideas of how to use the resources.

The resources can be found on the following link:

[https://www.thinkuknow.co.uk/5\\_7/hectorsworld/Puzzle-Hector/](https://www.thinkuknow.co.uk/5_7/hectorsworld/Puzzle-Hector/)

We would love children in your school to review them and let us what they think of them.

Send any feedback about the resources, or about anything else you have been doing as part of your Safeguarding group to us at the SCiES team on:

Sciesteameast@cheshireeast.gov.uk
