

Newsletter - 16th September 2022

Dear Parents and Carers,

The highlight of my week is looking at all the fantastic achievements that our pupils have made! I am sure you will agree this week's achievements are no exception and we are only in week two of the school year!

Thank you for all your support with transport again this week, we are up and running smoothly now, so fingers crossed it stays that way. Just a reminder Transport is run by the Local Authority through ANSA. We have a good strong relationship with the team and work together to make sure transport runs smoothly for our pupils. We don't have any influence over decisions, runs and times, any requests of this nature need to go directly to transport. We will always endeavour to support where we can.

A reminder for all parents we are a **nut free school** no nut products can come into school. We do have children who have life threatening conditions if they were to come into contact with nut products, so please check labels before sending food items into school.

As explained earlier in the week, school will be closed Monday 19th September due to the Queens Funeral. We will re-open on Tuesday 20th September.

Have a lovely weekend

News

EFL

There is an EFL family app that they can be downloaded (attached a picture of what it looks like on the app store).

It uses the same login details as you use to access EFL on a browser currently. Many passwords have been reset and sent to emails of parents/carers to allow them to access the app.

The domain is springfield, the username is the registered email address and everyone has their own unique password.

If anyone needs their passwords reset or email addresses changed then they can contact their class teacher.
