

SPRINGFIELD SCHOOL

Newsletter 34

17th June 2022

Dear Parents and Carers,

We hope you are enjoying the sunshine, while it lasts, pupils have been having lots of fun and focusing learning activities around water play.

Please ensure your child has sun cream on prior to coming into school as per the school policy. Please let teachers know if there are any specialist creams required for your child.

We have had a number of visitors in school this week including the Executive Director of Children's Services for Cheshire East and Chief Executive Cheshire East. They were so impressed with the learning that was taking place and how friendly and welcoming our wonderful children were.

We have also had our older pupils on residential this week, they will have completed their expedition element of the Duke of Edinburgh Award, a great achievement by all.

Wishing you all a fantastic weekend.

News

We had special guests in 4AO today, Mr and Mrs Knight. They very kindly came to school to led a horticultural masterclass in creating hanging baskets. The activity formed part of our Royal Horticultural Award to run a gardening enterprise project.

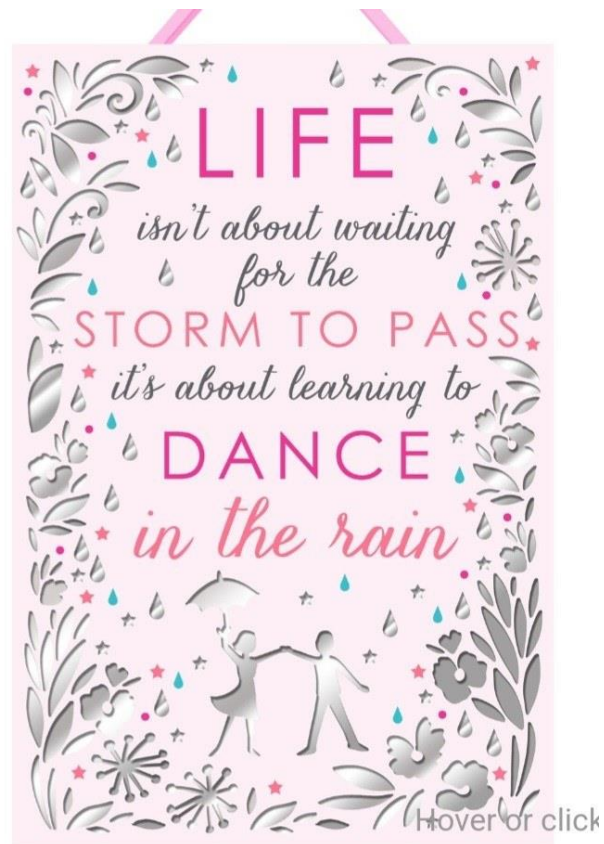

After looking at the different plants and flowers, and learning the names of each, we began to fill the baskets with compost. Students made choices of how to arrange the flowers under the expert guidance of Helen and Matt, and we'd like to say a huge thanks to them both for giving up their time.

4AO created twenty baskets which are now ready for sale to brighten your gardens and patios.

Please eSchools Mr Oakes or Steph to place your order. Baskets are £7.50 each.
