## Social Clubs

Space for Kids, The Saturday Club, Saturn Saturdays, Fun Friday and Space for You are tailored Social Clubs for children and young people aged between 5-18yrs who are on the Autistic Spectrum.

As well as being a time to socialise in a safe environment, the clubs incorporate a programme of activities designed to help your child or young person to become more independent.

It also aims to provide a short period of respite for carers.

Our activities provide loads of fun whilst also teaching your children and young people key skills, such as team work, social skills and independence.

**SPACE4AUTISM's** mission is to run clubs specifically to enhance the lives of children and young people on the Autistic Spectrum. All our clubs are run by trained professionals who all carry enhanced DBS checks.

**SPACE4AUTISM** aims to offer a safe environment within which your children and young people can forge long and lasting friendships whilst developing those skills others gain naturally.

You will need to attend a club registration appointment to register interest in your child or young person to attend our exciting clubs - **we will also need to have a copy of either your assessment or diagnosis of Autistic Spectrum Conditions, you will not have access to the clubs until we have seen this (this will be shredded once seen, also, we cannot accept children into the clubs who only have a diagnosis of ADHD. These clubs are only available to children living in Cheshire East.**
