

NEWSLETTER 2 – 20th September 2019

Welcome to our second edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

6EM Macmillan Coffee Morning

On Friday 27th September 6EM will be hosting a Coffee Morning to raise money for Macmillan. We would be extremely grateful if any parents could donate or bake cakes and send them in with your children.

The Wingate Centre

The Wingate Centre are restarting their All Stars Sports and Social Club for young disabled people, aged 5 to 16, from Friday, 13th September from 5pm to 6pm. Please see attached poster.

Continence Clinic

There is a continence clinic available on 6th December in the afternoon. Parents need to book through the Continence service on the office numbers 01270 275411 or 415411.

SEND Partnership Newsletter

Please find attached the latest newsletter from the SEND Partnership.

Aldi Tokens

We are collecting the Aldi Stickers for Schools to go towards new sports equipment. If you could collect them and send them in we would appreciate it.

ParentPay Online payment system

Due to a Cheshire East requirement to bring us aligned with other schools in the area, and also listening to requests from parents - Springfield School will be becoming a cashless school. We are introducing the ParentPay online payment system the week after the half term holidays. After this date cash and cheques will not be accepted as a method of payment. Snack money is the only cash which can be sent in. Full details and support information will be distributed to parents nearer the time.

Eschools

Please can we remind parents to log on regularly to Eschools. This is the main communication method between parents and staff. There is a free App which can be downloaded so Eschools can be accessed on mobile phones if you cannot access a computer.

Important Reminder

Please can we remind parents who send packed lunches in to check that they do not contain nuts. This is so important as we have children with severe allergies requiring urgent medical care.

Whole school Attendance this week – 94.04%
