## PROVIDER FEEDBACK

I thought this was a fantastic event, very well organised and executed! There were lots of providers available and it really interesting. Thank you for organising a great event. 😊

Just thought it was a brilliant event combining both community and provisioned services. Thank you

The students serving drinks was lovely 😊

Good range of services represented. It was lovely to see students involved in the evening.

Well organised event, could not fault it.

- achieved their outcomes
- would like to be invited back next year

Development points for next year, based on feedback:

- Message to be sent to parents of Y9 students in September to explain the importance of attending from Y9 for post-16 options
- Provider access to Wi-Fi
- Provide alumni information
