

**Cheshire East Residents and Council working
together to codesign Adult Social Care services**

Cheshire East Adult Social Care People Panel Meeting

A meeting focusing on the **Care at Home recommission**
and will be held on:

Microsoft Teams

15th September 2025 at 6.00pm

Register to be a part of Cheshire East Council's People Panel

Cheshire East Adult Social Care Service want to ensure that people with lived experience are at the centre of changing services and systems, to improve the lives of our community. We want to work TOGETHER with people to improve the Cheshire East offer.

What is a People Panel?

A People Panel is a group of residents who are central to discussions and other opportunities to express their views on the Council's Adult Social Care services including Care at Home (Home Care), Accommodation with Care (Care Homes), Extra Care Housing and other services. It is an opportunity to influence how services are delivered, highlight issues, and help shape services in your community. By actively participating, you will have an opportunity to share your views and knowledge of the community that you live in and shape services to ensure they work for you and your community. Your views help us make informed improvements and developments.

As a member of the People Panel, you will participate in discussion groups so that we can speak to you in depth to get your views, opinions and experiences of Adult Social Care services. Anyone is welcome.

Please email ascpeoplepanel@cheshireeast.gov.uk to register your interest or ask any questions

Share this with friends, family and neighbours in Cheshire East so they can take part too

Working for a brighter future together
