

Home Learning Bingo board!

Maths:

Prepare a recipe by measuring out the ingredients

Send in a photo of your finished product.

English:

Stories from other cultures- read one of the following stories with someone at home eg. Handa's Hen; Sunflower Sisters; Elephant Dance or Mufuros Beautiful Daughters.

Can you describe your favourite character?

Science:

What Happens to your heart rate and breathing when you exercise?

Carry out a test:

1. Choose an exercise eg. Star jumps or clapping your hands above your head for 1 minute
2. Measure your heart rate (beats per minute) before and after
3. Observe how your breathing changes (does it get faster, deeper or harder?)

Computing:

Make a powerpoint on either a pet or someone in your family

Free Choice

Show us something good you have learned at home or when out and about.

Foundation Subjects:

Art - draw a picture of an autumn scene using different colours to show the change of the season

RE - research why we collect food at Harvest Festival

Independent Life Skills:

Prepare a meal with the help of your family. Can you make breakfast for everyone during a weekend?

Help to do the washing up!

Tidy your bedroom!

Help to make a shopping list

Physical Activity/Well-Being:

Ask someone in your family to play a ball game with you. Test your catching and throwing skills!

Go for a walk and see how many types of wildlife you spot

PSHE:

Make a poster on the topic

'All about Me' include who you live with, what you like doing, what you are good at, and all your favourites eg. Food, music, sports, places

Please upload evidence to EFL.

If you are unable to then either:

- ✓ email your class teacher.
- ✓ send an eSchools message to your class teacher.
- ✓ or you can bring it in.

Thanks for your support in continued learning.
