

SHARED HOME OWNERSHIP OPPORTUNITIES FOR DISABLED PEOPLE IN CHESHIRE EAST

Did you know that if you are disabled and rely on benefits for your income you may be able to buy a brand-new affordable Shared Ownership home of your own?

SINCE 1999, MySafeHome, has helped more than 1,600 people to do just that by arranging a specialist mortgage that takes their benefit income into account.

Together with some parents of existing local homeowners, we have organised an information sharing event for parents, carers, relevant professionals and other interested parties from **11am – 1pm on November 20th at The Assembly Room, Macclesfield Town Hall, SK10 1EA** to explain how it all works. There will be plenty of opportunities to find out more and ask any questions.

“This is just like a dream come true. You don’t believe it. I wake up most mornings and pinch myself because I don’t believe that this is real, but it is.” T, mother of one of our home owners

To book your place email enquiries@mysafehome.info or for more information, please take a look at our website www.mysafehome.info, email us via enquiries@mysafehome.info or call us on 02476 402211.
