

Home Learning Bingo board!

Maths:

Research and make a 2D or 3D shape and decorate it using paints, felt-tips or pencils

Send in a photo of your finished work.

English:

Poetry- read one of the following poems with someone at home eg. 'I like myself'; 'The Sound Collector' or 'Walking round the Zoo'.

Which is your favourite?
Find another poem to read at home. Tell your teacher which one it is.

Science:

What happens when you mix different things? Do they disappear?

Carry out a test:

1. Choose 2 items and see if they disappear in water when you stir them. You could try things such as sugar, flour, even mud!!

Remember to help tidy up afterwards!

Computing:

Make a 'branching database' on your favourite animal.

Take a picture and send it into your teacher

Free Choice

Show us something good you have learned at home or when out and about.

Foundation Subjects:

Geography - Can you find where you live on a map? Set yourself a challenge - look at a world map and find 5 countries!

MFL - would you like to try some foods from France? Make a sandwich using French bread or enjoy a hot chocolate and croissant.

Independent Life Skills:

Prepare tea with the help of your family.

Help to do the washing!

Keep your bedroom tidy!

Help look after a family pet!

Take a photo and share with your class teacher

Physical Activity/Well-Being:

Ask someone in your family to go to the park with you.

Listen to some music. What is your favourite song? Do you have a favourite popstar?

PSHE:

Make a poster on the topic

'My responsibilities' include what responsibilities you have both at school and at home eg. Looking out for my friends, helping to tidy my bedroom, helping with the washing up.

Please upload evidence to EFL.

If you are unable to then either:

- ✓ email your class teacher.
- ✓ send an eSchools message to your class teacher.
- ✓ or you can bring it in.

Thanks for your support in continued learning.
