**The Green in the Corner CIC, Hurdsfield Community Centre
7-9 Hurdsfield Green SK10 2RJ**

The Green in the Corner is a safe community space at the heart of Hurdsfield. We have 2 rooms and a garden at the rear. The library area is big enough to host groups of 12+ with a toilet and kitchenet, large fold down tables and chairs are available. We have plenty of books, jigsaws, games, craft materials and toys for all ages to use during your visit or you can bring your own equipment. The 'café' area seats 12 people with a disabled toilet, including baby changing area and fully functioning kitchen. **Parking is available outside the shops on Hurdsfield Green, next to the flats. A ramp is available on request.**

If you would like to use the Green for a community activity or hire a room, please call or text Sarah [07940780543](tel:07940780543).

We are always looking to host new groups, but we also need volunteers and new directors for our community interest company. Our only source of funding is through grants and room hire which doesn't always cover all our bills, so donations are always very much appreciated.

Many thanks

Cllr Sarah Bennett-Wake, Acting Centre Manager
