

Maths:

Explore weight using scales when baking.

Measure your height and then measure a family member's height - who is taller/shorter?

Can you find shapes around your home?

English:

Explore stories about space or a different country...

Can you identify where you live and find it on a map? Can you describe where you live using adjectives?

Science:

Be a space explorer and find out as much as you can about space...

With supervision, find some interesting materials at home. Can you describe these?

Independent Life Skills:

Can you get yourself dressed in the morning?

Can you brush your teeth or your hair?

How can you help make breakfast?

Can you find your shoes?

Free Choice

Show us your favourite outdoor activity...

Foundation Subjects:

Draw or make a planet using craft materials...

Identify hot and cold countries.

Go on a walk and look at the plants and animals - how do these differ from other countries?

Sensory Regulation

Find a safe, cosy space or make a den. Take some of your favourite things with you - how do you feel?

Practice some movement songs with a partner such as 'row, row, row your boat' or 'round and round the garden'

Physical Activity/Well-Being:

Create and complete an obstacle course!

Build a rocket ship using construction materials.

Go to a playground with a parent or carer and enjoy swinging, spinning or sliding!

PSHE:

Request your favourite song to sing or dance to, then listen to a family member's favourite song.

Play pop-up pirate or something similar with a family member.

Please upload evidence to EFL.

If you are unable to then either:

- ✓ email your class teacher.
- ✓ send an eSchools message to your class teacher.
- ✓ or you can bring it in the old-fashioned way.

Thanks for your support in continued learning.
