digital-inclusion/](http://www.digital-cheshire.co.uk/digital-inclusion/)

This free to attend workshop focuses on digitising photographs and negatives. We're here to help people preserve records for the future.

Designed for all skill levels, the session offers hands-on learning and the opportunity to build new digital skills.

Digital Cheshire is working with the Cheshire Archives team to expand their historic image collection.

Come along and gain hands on experience and digitise your records.
