Discover Cheshire's Finest Creative Talent This June at 'Makers in the Valley - Summer Edition' TWEMLOW, CHESHIRE

Following the roaring success of its previous seasonal events, the highly anticipated Makers in the Valley is returning for its spectacular Summer Edition.

On Sunday 7th June, a rustic, beautiful barn in the heart of the Cheshire countryside will be transformed into a vibrant hub of local creativity, craftsmanship, and community spirit. Located at The Orchards Farm, directly opposite the popular Bidlea Dairy in Twemlow, the event promises the perfect summer day out for families, friends and four-legged companions alike.

Running for one day only, the summer market invites visitors to step inside the barn and explore an incredible array of regional talent. This edition boasts a diverse lineup of local exceptional makers, including:

### **Visual Artists:**

Showcasing stunning original work spanning everything from vivid acrylics and delicate watercolours to intricate pencil masterworks.

### **Master Crafters:**

Featuring beautifully turned wood pieces and exquisite, handmade ceramics.

### **Textile Experts:**

Showcasing unique creations from local sewing geniuses.

Beyond the indoor stalls, the event is designed to be a complete summer experience. Visitors can make a full day of it by soaking up the sunshine, enjoying delicious food and drink or treat themselves to a famous Bidlea Dairy ice cream while looking out over the rolling Cheshire fields.

Makers in the Valley is also proudly dog-friendly. Well-behaved pooches are incredibly welcome to join the fun, provided they are kept on their leads. There is even a special stall for the pooches outside!
