

## Grow your skills for work in our Congleton shop

Are you an adult with a learning disability, learning difficulty or autism diagnosis who would like to get more experience and build skills that may help you to find paid work in the future?

Mencap have supported voluntary jobs available in this area.

We may be able to help you for up to a year, with learning and support to build on the skills you have and develop the skills you need.

Our friendly store is in  
West Heath Shopping Centre,  
Congleton

For information and to check if we can help  
you please email:
