SEN SPECIALIST SCHOOL

Welcome to our ninth edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

## Short Break Group

There is a short break group called Ruby's fund that offers 1-2-1 short break sessions for children with additional needs aged 0-8 years. Website [www.rubysfund.co.uk](http://www.rubysfund.co.uk) email [info@rubysfund.co.uk](mailto:info@rubysfund.co.uk) Telephone 01260 277666.

Also, there is a SEND Youth Club for young people aged 12-16 years. The session is 6pm-8pm at Ruby's Fund, Meridain House, Roe Street, Congleton CW12 1PG. For more information email [june.maddock@cheshire-east.gov.uk](mailto:june.maddock@cheshire-east.gov.uk).

## Safeguarding - Anti-Bullying Week

There has been some fantastic work taking place in all of the classes for anti-bullying week with a focus on #choosekindness. Please take a look on your child's EFL for an update on what they have been doing.

We have also been watching some of the videos on the link below:

## 4AJ

Another busy week for 4AJ, we began the week by taking part in Remembrance and with Christmas not too far away have begun to develop our craft topic in preparation for the Christmas Fair. All pupils have taken part in Forest School and swimming, it has been fantastic to see such wonderful progress within swimming, all pupils are fully independent and confident swimmers. 4AJ continue to enjoy their clarinet lessons each week with Rory from the Music Trust, super progress there too. Well done 4AJ!

## Cultural Experience coming to Crewe next week:

<http://shift-digital.co.uk/wave-field/>

Wave-Field, a world-famous interactive art installation in the form of illuminated music generating seesaws, is embarking on a tour of the north of England, from October to December. Cheshire East will host it in Lyceum Square, in Crewe, from 21st November until 1st December. This is a free event that will be open from 3pm – 8pm on weekdays and 11am – 8pm on weekends. The giant illuminated seesaws, originating from Canada, 'encourage interpersonal relationships with strangers and consolidate existing relationships between friends and family', according to creators Lateral Office and CS Design, and features futuristic soundscape by Mitchell Akiyama.

Wave-Field is intended as a playful installation that makes art accessible to all. Residents and visitors are encouraged to become active participants in the art. When motionless, the seesaws are dimly lit and emit a low sound, inviting passers-by to participate. When set in motion, the seesaws burst into sound and light, which becomes richer as more users partner up, encouraging interactions and 'the development of relationships, new and old'.
