

Welcome to our thirtieth edition of our weekly 'admin' newsletter hopefully this will keep you up to date with whole school events and activities.

Friends of Springfield

Your child should have received a letter this week regarding a colouring competition and collecting small change over the Summer. Your help is as always, very much appreciated as we aim to raise money for a new minibus. Further copies are attached to this newsletter and can be found on the school website. Springfield School is one of the charities supported by ASDA in Crewe during August so if you shop there please collect the tokens for us!

3AJ

A busy end of term week for 3AJ with some pupils taking part in Kwik Cricket tournament.

All pupils have taken part in the swimming gala in preparation for Sports Day and collecting team points for each of the houses.

We had a very exciting visit to the new building with all pupils being able to explore and view the new classrooms.

All pupils in 3AJ have been awarded a super certificate from Keele University to recognise the lovely art they have completed, these will be presented to pupils during end of term assembly.

Speech Therapy

Great news that in September, Springfield will be having additional Speech and Language Therapy days. My colleague, Emily Smith will be joining the team here, working an additional 2.5 days a week in school. Emily currently works within the preschool complex needs team and is looking forward to getting to know everyone. Many thanks and enjoy the holidays.

Jo Currie - Speech and Language Therapist

3AO

Today some of the students from 3AO have been over to visit the new classroom in our brand new upper school building. We were very excited to see the new furniture and everyone was very impressed with the size and brightness of the room. There are lots of little jobs to do, and students helped with checking the build quality and teaching equipment. We have a brand new curriculum for September too, which focusses on communication and the world around us: it's called 'Moving-On'. As the term draws to a close it's always nice to reflect on the progress students have made and how they have grown. We wish everyone a restful, well deserved holiday. See you in September.

Message from the Headteacher

Dear Parents and Guardians,

It has been a tremendous year for Springfield, first and foremost for all the outstanding achievements of all our pupils; from some starting to walk and others gaining paid employment, the list is endless.

We have achieved our fourth Outstanding Ofsted which we are delighted with, but the work doesn't stop here. We now enter the next exciting phase of Springfield School when we see the opening of the new build in September, which will accommodate our Secondary and Sixth Form pupils. This is going to provide fantastic accommodation and further opportunities to develop our curriculum.

All this wouldn't happen without the fantastic staff teams and the continued support from you as parents. May I take this opportunity to thank you all and wish you a wonderful Summer holiday. We will see the pupils on Wednesday 4th September.

Lisa
