

# Newsletter - 3rd March 2023

Dear Parents and Carers,

I hope you all had a lovely half term break; it was lovely to see all the children back to school on Monday.

If you have visited school, you will have seen that enabling works have started for the expansion. The expansion will be a 'wrap around' brick building along the sports barn. This will provide 8 further classrooms offering an additional 60 places.

There have been some trees removed as part of the enabling works, I just wanted to reassure you that for every one removed there will be three further trees planted. We also have a number of projects that will be happening within school to further support wildlife.

We have had a fantastic week back, some great achievements that you can see below. We are looking forward to supporting the International Women's Day at South Cheshire College tomorrow. The choir will be performing at 11.30am.

Have lovely weekend.
