

Springfield School

NEWSLETTER 16 – 17th January 2020

SEN SPECIALIST SCHOOL

Welcome to our sixteenth edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

Information

There is a website called changing places that will let you know where there are practical changing places for children and young people who need to lie down for their continence needs or require a hoist. There are quite a few in the area - four in Crewe and one in Nantwich. See <http://www.changing-places.org/>

Free School Meals Application Process

From 10th January 2020 parents and carers can apply online for Free School Meals (FSM) and get an immediate decision for their entitlement. The application is made through the same portal that the parent/carer applies for a school place and can be applied for at the same time. The FSM will begin once the school place has been confirmed and attendance has commenced. Details of FSM eligibility can be found at www.cheshireeast.gov.uk/fsm Alternatively, a telephone application can be made on 0300 123 5012 Please note, no paper applications will be accepted after this date.

Safeguarding

Just a reminder to parents that we have a Parents Safeguarding page on our school website and this gives useful information and links regarding internet safety and parental guides.

Friends of Springfield Co-Op Card

Just a reminder that if you have a Co-Op card to please select Friends of Springfield as your chosen charity. Every time you spend money in store and swipe the card a percentage will go to raise funds for Friends of Springfield.

6PF

This week class 6PF have been busy working on our Asdan Everyday Living work by visiting the University campus to explore using cleaning products and equipment to help clean a bathroom and kitchen.

We have also been learning to sort and recycle waste by using the recycling bins in the kitchen at the flat.

We will be thinking about recycling for our assembly on Friday and the importance of this for our planet linked to new food recycling bins being delivered to houses in Crewe and Nantwich.

We're hoping that this project work can help us all to think about recycling at school, home and in the community.

Whole school Attendance this week – 92.10%

1AJ	100.00%	2JK	95.00%	3AO	98.00%	3NA	97.50%
