

Newsletter - 17th February 2023

Dear Parents and Carers,

Love has well and truly been in the air this week and especially today with our Springfield Valentines disco! A huge thank you to the Friends of Springfield for organising the raffle and as always supporting our disco.

We have had a wonderful half term the staff and children have worked so hard. Thank you for all your support which enables your children to make such great progress.

Now we have finally moved past a number of illnesses this half term; we will be having a push on attendance on our return. We understand that some of our children need to be at home for various reasons and we will continue support this.

Work has now started on the satellite school in Wilmslow, there is a considerable amount of work going on behind the scenes to further enhance specialist provision throughout Cheshire East. Enabling works will also start at half term on the Crewe site in preparation for the 80-place expansion. You may start to notice some changes as work begins over the coming months.

We wish you all a good half term break and look forward to seeing you on Monday 27th February.

Futures

Last night, we hosted our first face-to-face Futures Evening since before COVID.

It was a great success and so far feedback has been really positive from parents and providers. This will return to an annual event so if you weren't able to attend this time, look out for it coming back (bigger and better!) next year.

Reminder - if you have any questions about what the future looks like for your son/daughter, please don't hesitate to contact Laura Armitage - laura.armitage@springfield.cheshire.sch.uk
