NEWSLETTER 24 – 20th March 2020

SEN SPECIALIST SCHOOL

Welcome to our twenty-fourth edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

CORONA UPDATE

Please see eSchools for the latest update on school closure and reduced provision.

4AJ

Another busy week for 4 AJ who have worked hard as a team with their enterprise project. Pupils have enjoyed exploring different authors and illustrators across Key Stages 3 and 4 within Literacy. Pupils have produced some lovely work and have shown just how creative they are. Unfortunately, we have postponed the Theatre Workshop, however Cheshire West College students are hoping to provide Springfield pupils with a video recording instead. We hope to support them by sending our pupil responses via email.

6PF

Class 6PF have been keeping busy despite not going out in the community on our usual shopping trips. So far this week we have been designing and making Mother's Day cards and banana bread homemade gifts. We've been looking at signs of spring on nature walks outside as well as enjoying some beautiful sunshine. We have also been doing exercises to fun action songs to keep our spirits high!

Planning Your Future Event

We previously sent information about the Planning Your Future event. Please see message below from the event organisers:

It is with real regret that we are going to postpone the Planning Your Future events on the 26th March (Crewe) and the 2nd April (Macclesfield). We will re-organise dates when we have more information on the impact of the corona virus. Sincere apologies, but I am sure you all understand that health and safety of young people, families and staff is our priority.

Sponsored Swim

The children will be taking part in a sponsored swimathon in aid of Friends of Springfield. The money raised will go towards improving the outside play areas, including a sensory pagoda area.

This will take place the week commencing 27th April 2020 in your child's usual swimming lesson time and will be staffed by your child's class team and swimming pool staff. Thank you for your anticipated support with this event. Any queries please ask. Sponsored forms and letters to follow

Wishing Well

Attached is a leaflet from The Wishing Well, offering services which might be of interest to you during this time. Please contact them directly if you need one of their services.

Have a great week!
