

Newsletter - 10th February 2023

Dear Parents and Carers

It has been another busy week at Springfield, pupils have been working hard to reach their targets. It is wonderful to see how well our reception classes are progressing, it's lovely to watch them develop and grow in confidence. If you haven't got a logon to see your child's learning journey, please contact school with your email address so we can give you access.

Next week is our last week before half term which will end with a Valentines disco supported by the Friends and Springfield. There is a fantastic raffle too which will be drawn on the 14th February, please see details below.

During half term we are having some enabling works done in preparation for the expansion starting after half term. There shouldn't be any disruption on our return, but we will keep you updated as the project starts to develop.

Enjoy the weekend!
