

# Newsletter 17

26th January 2024

Dear Parents and Carers,

A very exciting week for Springfield Wilmslow as they move into the new school. The pupils transitioned over on Thursday and have had a fabulous couple of days.

In Crewe, the Sports Barn has now re-opened and the pool is back up and running this week which is positive. It was wonderful to see our Apollo reception having a fabulous time in the pool this morning!

The primary department have been delivering some wonderful road safety lessons in the playground and some very creative and exciting lessons in the classroom on this term's topic 'Britain Past & Present.'

In the secondary department Ben Tomlinson from the Cheshire Cricket Board has been in and delivered sessions to a number of classes including wheelchair table cricket with some of our pupils.

After school clubs are continuing to be a great success with Swimming, Crewe Alex for secondary and Cookery for primary.

Finally, the MConstruction builders came over to school today to present Jaydon with a picture of him laying the first brick last week - Jaydon could not wait to take it home and show his family! See pic below.

Wishing you all a lovely weekend,

Lisa & Kim

Lisa Hodgkinson Headteacher Crewe and Wilmslow  
Kim Cepeda-Wilson Head of School Crewe

## Building Update

It's been an exciting time on site. We were very happy to have a fantastic new team member last week. As you may have seen in the last newsletter, budding-bricklayer, Jaydon from 4HM laid the very first brick in the school extension. And what a great job he did!

The majority of the metal work for the structure is now complete. And thanks to Jaydon getting us started, the brickwork to the front elevation is looking great.

We're now hoping to progress roof works, but we are being hampered by the current high winds.

## Swimming

---

*Please send swimming pads or the specialist incontinence swimwear into school with your child's usual swimwear, on their swimming day and also for after school swimming club .*

*This applies to ALL children who are not toilet trained.*

---

## All Our Hearts Day

We are supporting the MCH Charity with their new appeal to support End of Life Care. We will be having a red & pink non-uniform day on 14th February. Please see poster below:

The poster is a square with a light pink background. It features various heart-themed illustrations: a heart-shaped cake with candles, a heart-shaped cookie, a bunch of heart-shaped balloons, a heart-shaped ice cream cone, a heart-shaped bag, and several small heart icons. In the center, there are three large, overlapping hearts in shades of pink and red. To the right of these hearts, the text 'All Our Hearts Day' is written in a bold, black, sans-serif font. Below this, the date 'Wednesday 14 February' is written in a bold, black, sans-serif font. Underneath the date, the text 'Wear something red or pink to support our End of Life Care Appeal and donate £2' is written in a bold, black, sans-serif font. At the bottom, there is a line of text: 'Contact us or visit our website to find out more mchcharity/events'. Below this line, there are two logos: on the left, the 'FR' logo for the Fundraising Regulator, and on the right, the logo for Mid Cheshire Hospitals Charity, which consists of a stylized butterfly icon and the text 'Mid Cheshire Hospitals Charity'. At the very bottom, there is a line of small text: 'w: mchcharity.org | t: 01270 273248 | e: charity@mcht.nhs.uk | registered charity no.: 1049008'.
