Dear Parents and Carers,

Our building work has officially started today. After a very long delay we are pleased we can now start to make some headway on the expansion.

Parents who drop off and collect please bear with us after half term, transport may take slightly longer than usual.

We have had to change our plans this year in relation to our 'Meet the Team' event, this will not be in its usual format, further information will be sent out after half term.

Another fantastic half term at Springfield, pupils making superb progress with lots of fun and happiness along the way.

This afternoon has ended with a disco which has been run by our Sixth Form students, the playlist was fab, they have done a super job!

We hope the sun keeps shining next week and you all have a lovely half term.

## News

### Springfield Cinema

All pupils in Spring High have made fabulous progress on their maths topic, which this term was all about our local community and exploring going to the cinema. We linked Number, Geometry and Measurement into this topic alongside some fabulous life skills activities.

Pupils finished their topic this week by making a trip to the "Springfield Cinema". Pupils bought their own ticket from our box office, found their seat, and enjoyed the film by purchasing some snacks from our mini shop.

This was a final activity to demonstrate how much we have all learnt this half term.

Well done to everyone involved.

## ParentPay

We are trying to reduce the amount of cash and cheques received in school for dinner money and school trips etc.

We are using ParentPay which enables you to pay online and monitor how much money is left on a lunch account for example.

If you still need a login, please contact school so that we can send one to you. If you already use ParentPay for a child at another school, you will be able to add a child to that account but will need an activation code and password from us in order to set that up.

## Reminders

### School Uniform

As we mentioned last week, we are in the process of changing our uniform supplier.

**Please do not order any more uniform from Gooddies.**

If you need to replace anything quickly, please contact reception - we have some surplus stock that we are able to sell at half price.

We will provide details of the new supplier once we have approved samples and colours and they are set up to receive your orders.

## The School Gate

Thank you to all my parents! and I wish you all have a lovely holiday in whatever you're doing.
