

Space4Autism Short Breaks

SPACE4AUTISM are commissioned via Cheshire East Council to deliver three Social Clubs for children and young people aged between 4-18yrs who are on the Autistic Spectrum.

As well as being a time to socialise in a safe environment, the clubs incorporate a programme of activities designed to help your child or young person to become more independent.

It also aims to provide a short period of respite for carers.

Our activities provide loads of fun whilst also teaching your children and young people key skills, such as teamwork, social skills and independence.

SPACE4AUTISM'S mission is to run clubs specifically to enhance the lives of children and young people on the Autistic Spectrum. All our clubs are run by our trained support staff team who all carry enhanced DBS checks.

SPACE4AUTISM aims to offer a safe environment within which your children and young people can forge long and lasting friendships whilst developing those skills others gain naturally.

All sessions are delivered at the Space Centre in Macclesfield but we do have various social outings throughout the year
