Dear Parents and Carer's

It has been wonderful to listen and watch the rehearsals taking place at school this week in preparation for the spectacular Lion King production from our secondary department. I assure you, you will not be disappointed, the children and staff have worked so hard to put this musical together, I would advise you to bring your tissues though!

As we head into our last week before the Easter holidays we continue to review our curriculum with parents, staff and pupils. We will be collating the feedback and offering further training sessions for parents from those identified in the questionnaire results.

We will also be launching our 'homework bingo' initiative after the Easter holidays, further details will be sent out by your class teacher.

Have a lovely weekend

Daniel

Bringing people together to have some fun.

Hello, my name is Daniel. I am 35 years old and have Cerebral Palsy. I host fun and entertaining quizzes and karaoke sessions remotely over Zoom and Microsoft Teams. Working independently, I have provided much needed good times since lockdown.

My passion is bringing people together to have a good time and supporting mental wellbeing. If you could use a session of fun, joy and excitement testing your knowledge with a quiz or discovering who among you is the next Susan Boyle with some karaoke, please don't hesitate to get in touch.

I am volunteering all my services (free of charge) to the fantastic community organisations in Cheshire East. I can provide one-off sessions of quizzing or karaoke or regular sessions, which can be a combination of each.

You can email me at daniel@dbkaraokequiz.co.uk and I'll be happy to answer any questions you might have (or to be quizzed on my services).

I'm looking forward to hearing from you.

You can also find me on Facebook: www.facebook.com/dbkaraokeandquizzes
